LOT 1 **GRADE** **GELDING**
COLOR: Gray FOALED: 2010 BREED: QH
OWNER: Hutch

I can not say enough good things about this 14.2 hand gelding. I have had him on trail rides, roped off him in the pasture and took him on a recent 7 day pack and hunting trip in the mountains. He never missed a step even on iced crossings. Perfect hunting horse. (See photo above) He will do anything you ask him. Nothing bothers him, very laid back but no dead head, he will go as fast or as slow as you want. Anyone should be able to ride him. No bad habits and easy to handle. Selling him due to health reasons and he is too good a horse to stand around. **Coggins**

All horses rode in the sale ring must be guaranteed sound by their owners or called otherwise in sale ring. You can buy with confidence at our long time reputation auction of over 30 years.

"Jewel" is selling as a 15 hand broodmare although has had barrel training, been in a few jackpots and is very broke. She has developed a "skittish" problem and is not safe to ride. She was Vet checked and Vet did not find any issues that would cause this but I don't want anyone to get hurt on her so she is selling as a broodmare only. She is UTD on all vaccinations and de-worming.

"Elvis" is a 12 year old, gray gelding. I've used him for trail riding, giving kids rides, and sorting cattle. He's easy to bridle, saddle, mount, trim, and loads easily in trailer. He side passes, has great ground manners and a easy gait. He's used to the rope and has followed the hot heels and pulls a roping dummy. 14.3 hands. UTD on shots and trimming. **Coggins.**
