**. SELLING IN OUR LOOSE HORSE AUCTION
 WILL BE ZAN SUM N SPLASH JW**

We do not usually advertise our Loose Horses but this consignment was in early and we found room to show you why many people like to use the fast and no hassle way of marketing their horses. She is a registered QH, 13 year old palomino mare with Sun Frost & Miss N Cash right on her papers. She has raised one colt recently and is a well broke mare that stands for the fairer and loads on the trailer.

The lady selling bought her last summer and she rode fine. After letting her stand for 2 months she got on and it bucked. She is selling it as she feels at her age, she can not take a chance of a broken leg. She did not fee comfortable riding her in the auction ring so chose the Loose sale. If your a cowboy or cowgirl or looking for a horse to breed, take a look at this well bred pretty horse in the Loose sale which starts at 10 am.
