2. All out-of-state buyers paying by check must have a current letter of credit on file to receive a bidding number.

3. A purchase invoice will be filled out for each horse purchased by a buyer. Name and address is to be filled out exactly how the purchaser wants a horse registered. We will not be responsible for errors on transfer if purchase invoice is not properly and clearly filled out.

4. All horses listed in this catalogue are guaranteed sound by their owner. The guarantee is strictly by the owner and not the sale management. Right of recourse must be directly to the owner and not through South Dakota Horse Sale, owners, auctioneers or managers. We act only as agents for consignors in the sale.

5. Be sure to inspect any horse of interest to your satisfaction **BEFORE** you buy. A veterinarian is available prior to sale time to answer any questions. When horse leaves the ring all sales are final.

6. We **DO NOT** charge sales tax on horse purchases in South Dakota. This can be quite a savings to you on a several horse purchase.

12. We **DO NOT** allow private horse trading in the yards, alleys or on the premises before, during or after the sale. Any offender to this policy will be **banned** from the premises. All persons selling no-saled horses on the premises after they leave the ring must pay full commission in the office.

13. For convenience in the quick location of a certain horse, horses will be penned in numerical order throughout the yard beginning with Lot 1 nearest the check-in gate.

To Clarify the Soundness Guarantee

**Guarantee is strictly by the owner of the horse **

**NOT BY SOUTH DAKOTA HORSE SALE, **

**its owners or managers. **

We have very qualified veterinarians on the grounds on sale day to offer their opinion on soundness. Keep in mind, it is rare that a catalogued horse sold at our sale will have a soundness problem but it has happened. The owner usually is not aware of it. That is why it is important that you look the horse over before you buy, not after. When the horse leaves the sale ring, the sale is final on our part. Anything different will be between the buyer and seller. **Soundness** to include sight out of both eyes, not to crib, hit the ground on all 4 & good in the air.

31 Mares with Foals at side

Note From Johnny Knippling: 40 plus years raising registered quarter horses and most of these have been born on our ranch, three, generations deep. They are daughters or grand-daughters of these Sires, Doc Bruce, JK Copper Bruce, Hollys Gold Peppy, Vanzi Pep, Ghost Dasher & Dunit's Lean Dream. Most will have foals at side by sale day.

These stallions carry the blood lines of some of the greatest horses in the AQHA, including Three Bars, Mr Bruce, Docs Jack Frost, Doc Bar, Lighting Bar, The Continental, Clabber Bars, Vanzi Bar, Peponita, Hollywood Gold, Dash For Cash, Ole Man, Triple Chick, Smart Little Lena, Doc O’ Lena, Lean With Me, King Fritz, Hollywood Dunit.

They will be sired by either Copper Bruce, or Dunnits Lean Dream. Through the years our horses have ventured to most of the states and Canada, Germany & Mexico. They have been to and competed in The Solid Gold Futurity, NFR, The World Show and several states sanctioned Rodeo Associations.

They have excelled at Barrel racing, cutting, calf roping, team roping, bull dogging and break-away roping. They have carried their owners to several state championships.

The 4-H, High School, Little Britches Rodeo’s all have been a great contributor for our horses. Ranchers, weekend ropers and people who just like to ride, have all made us proud.

Read our special sale catalogue of the Knippling Ranch Dispersal Broodmare consignments at SDHorseSale.Com
We have never owned a more powerfully bred stallion than Dunit. I have never ridden a horse with as much balance and coordination. He has a great disposition, very correct conformation, is a natural lead changer and has an awesome stop. He is very quick and his movement is so smooth. He is a dream to ride and why shouldn’t he be with a pedigree like his. He has world champions, top and bottom and not very far back. Both his sire and dam are proven money earners in reining. His genetics are great in working, cutting, reining and a whole lot of color. We bred a lot of our best mares by Doc Bruce, Copper Bruce, Vanzi Pep, JK Vanzi Doc and Hollys Gold Peppey to him last year. We are proud to present his third crop of colts. They are all we hoped they would be.

Copper Bruce is a big, stout, easy moving, athletic stallion that we raised. He is sired by our great DOC BRUCE, who has sired many outstanding arena horses. They have won World Champion barrel racing in the AIRA, State Championships in MRA, NDRA, SDRA, NRCA and NHSRA in all events and from a wide variety of mares. Copper is out of The Coppernental, who is sired by world champion The Continental. From this cross, JK Copper Cat won state awards in SDH-SRA and State 4-H several years for the Shearers. JK Copper Brucina has taken Skip and Diana Moody’s children to the National high school finals and state 4-H finals several times. Copper Bruce has several offspring that are excelling in calf roping and team roping in SDRA and NRCA, local jackpots, as well as many good using horses. His offspring have excellent dispositions and good bone structure to stay sound.

NOTE
Most if not all of these mares will have foals at side by sale day. Breeders Certificates are attached to their Registration papers along with the necessary signed transfers. Mares have not been exposed & ready to breed to your choice of stallion.

Most mares are halter broke. They will sell with new halter & lead rope on. Buyer pays half the cost or $2.50 for the halter & lead rope.

This is a really nice gentle giant that has been used extensively on large ranches in Wyoming & South Dakota. He is big enough & quick enough to get the job done, yet quiet enough for almost anyone. Used for calving, lambing, sorting, team penning, team roping & trail riding in the mountains. He will meet you at the gate & do about anything you ask of him.

Super sharp gelding that will get you noticed. “Flash” has a great handle & would make a great ranch versatility, sorting, penning or roping prospect. Very quiet & easy to be around. He has been started on the flag & tracking cattle. Son of World Champion, Ima Tru Skip. He has both looks & work ethic. At 15.1H he will finish up a big stout gelding. N/N, Coggins & Incentive Fund. You can preview this horse on Youtube under “TwoTuffTwoSkip”.

Sure to be a sale highlight. CJ has been at my place going on 3 years. Super disposition with many miles of trail rides & checking pasture. Was bought for rope prospect, but never had time to finish as my kids taking priority. Lopes nice circles & pleasure to ride on trails. Been saddled from 7 am to 6 pm 3-4 days a week since end of Feb. calving & moving pairs. 100% sound. neg. Coggins.

April 16 Sale, Storm Sale – Due to early morning ice packed roads, a number of sale consignments were forced to stay home & move their horses to our May 21st sale. However, Buyers were still out strong from Canada & multiple state areas including Wisconsin, Iowa, Montana, Minnesota, Iowa, Nebraska, North Dakota and from all across South Dakota.

Even with road conditions, we still sold 130 Head horses and 33 head rope cattle. Big Buyer demand for the finished, dependable saddle horses. Sure could of used more 4-H type horses & Ranch & Team Roping prospects to meet the demand. Our Buyers know the difference and will pay the price. Check out the photos of our top sale horses.

Loose Horses – Top Loose horse sold for $1400, a broke gelding. A good number of other broke horses sold in the Loose Sale for $500 to $700. Due to shortage of horses moving thru the cold months, we had a stronger market on the weigh end on the bigger horses weighing 1100 lb and over, selling $350 to $475. 1000 lb, No. 2’s, sell mostly $200 to $350. Feeder horses, Light weights, thin horses or yearlings sell mostly $50 to $175. Our volume loose horse sale brings in all the top Buyers in country. Seats are always full. Only 7% commission, $30 minimum.

Rope Cattle – Sold 33 Head. Big time demand for fresh rope cattle, needed a few hundred head more to meet the demand. Fresh rope cattle sold $450 to $500.

Thank you for your business. We now celebrate 31 years in the monthly horse sale business. Our long time sale is well recognized & is highly advertised and one of the most reputable ones in the country. You get your money’s worth when you consign to the South Dakota Horse Sale. See you at our May 21st sale - it will be a good one!

BUYER NOTICE: All reg. papers on catalogued horses, quarter & paint purchases, will be mailed directly to the Associations for Express transfer of Ownership. Reg. papers should be received by you direct from AQHA office within 7-10 days after the sale.

ATTENTION SELLERS - Be SURE to put the NEW HALTER & LEAD ROPE on your horse after it is sold (pick up by back door as you leave the sale ring.) The Buyer has paid 1/2 the price for it and expects the new halter/lead rope to be on the horse when he takes possession. Those that do not follow this policy will be assessed a $10 fee and the fee will be sent to new owner of your horse.

Greetings Folks,

The time eventually comes when a person’s age and health cause one to re-evaluate his life and priorities. That time is now for me. I have made the decision to slow down with some convincing from my family and doctor. I have reached the period in my life where I am tired and realize that it is time to relinquish the majority of our everyday business operation to my son, Jeff and grandson, Seth. My first step to ease them into this transition is to drastically reduce the size of our horse herd. Fischer Farms will offer for sale some of our absolute best bloodstock.

We will sell the following at the South Dakota Horse Sale in Corsica, SD:
