

## HORSE REPORT FOR APRIL 17, 2021

It was a Fantastic & Hot Sale! You can still watch it on South Dakota's Face Book account in our live video taken that day. 125 customers registered for Bid numbers with 41 being new 1st time customers. Buyers arrived from 8 different states, including Nebraska, Minnesota, Iowa, Missouri, Kansas, Tennessee, Oklahoma as well as from all across South Dakota. That is why it is so important at our Auctions to have SD horses come in with a Neg. Coggins tests as the majority of them go to out of state buyers and they are required by law to have the Coggins test in order to get a Health by our attending Veterinarian. In order to leave for out of state in a timely manner, a Coggins needs to be on hand. Remember, our long time reputation horse sale of 34 years is highly advertised and we have the best horse buyer clientele in the business. They went home happy satisfied customers. **Check out a few sales of the day:**
